

CORAL LODGE

MOZAMBIQUE

1. Transfer from Nampula Airport to Coral Lodge

By road directly

The direct by road mini-van transfer to Coral Lodge is a 180 km drive through the countryside. The last 40-50 km are along a bumpy sand road, with the last 10 km or so on very sandy tracks and through mangrove swamp water at high tide. This transfer takes 2.50 to 3 hours but may be longer during the rainy season depending on road conditions.

By road and dhow from the Isle de Mozambique

The transfer by mini-van winds through pretty countryside along a good tarmac road over the bridge to Ilha de Mozambique where guests board the Coral Lodge traditional sailing dhow. The transfer time depends on the tide and takes approx. 20-30 minutes at high tide and up to 45 minutes at low tide. At high tide the dhow drops guests off at the lagoon entrance, next to the lodge. At low tide the dhow anchors in shallow, warm water 50-100m from the lodge, which means guests wade to the beach. Our team will take the luggage! Total transfer time is approx. 3.5 hours depending on the tide.

Guests arriving on the Airlink flight from O.R. Tambo airport (Johannesburg), land at approximately 13h30. If there are no issues with visas or customs, guests should be on Ilha de Moçambique before 16h30. For return transfers, the reverse happens and guests generally leave the lodge by 08h00/08h30 depending on the tide, to arrive at the airport in Nampula by 11h30 that is 2.5 hours before the 14h00 Airlink departure.

Nampula to Coral Lodge round trip transfer fee: USD 400,00 per mini-van with a/c with a capacity of up to 6 persons (adults or children) including motorboat or dhow sailing boat transfer from Isle de Mozambique.

2. Transfer from Nacala Airport to Coral Lodge
